Dear **[Your MP's name]**

*RE: The next White Ribbon All-Party Parliamentary Group focuses on building gender equality with young people, to end violence against women and girls.*

I am writing as one of your constituents to ask if you could attend the White Ribbon APPG, on 5<sup>th</sup> July 2023. The group is chaired by Gavin Newlands, MP.

At the meeting, you will hear about the impact of teaching young men and boys about gender equality and how this could prevent violence against women and end harmful gender norms.

White Ribbon is the UK's leading charity engaging with men and boys to end violence against women and girls. Their mission is to prevent violence against women and girls by addressing the root causes.

**[Include some additional information about why ending violence against women and girls is important to you living in this constituency.]**
